Become inspired by Pat Delaney, award winning quilt designer as she takes us on a journey to learn how to create a personalized, heirloom quilt that celebrates your life, a special person's life or a memorable occasion. Using a strip-pieced watercolor design as our starting point, we'll discuss how to represent the personal memories and treasured stories that you want to preserve. Demonstrations of motif fabrics and photo transfers will be included. List of supplies will be sent upon registration.

Join us for a great day in beautiful Waterville Valley where you will be able to sew in the Silver Fox's new meeting room, enjoy a delicious inn cooked meal (*Buffet Lunch option), and take a break and relax in the lodge common room with fellow quilters.

Spaces are very limited, so reserve yours soon!

Supply list will be sent upon registration.

Workshop Only - Cost \$60.00
